Lola was an absolutely lovely person. I had the pleasure of working with her at St. Ferdinand school and she was our daughter's first grade teacher. Lola was also a wonderful friend and neighbor. Her Santa collection was simply amazing and she was always happy to share it with everyone.
Lola had so many gifts that she shared with others and she will truly be missed. I will always treasure an angel blanket that she crocheted when we had our first grandchild.
Thoughts and prayers go out to Lola's family.
What a beautiful and wonderful woman she was!
God bless. Julie and Darron Trupiano

Lola used to come to Vincent's beauty salon , many , many years ago .I was a young hairdresser. And what a special lady she was. She made a ceramic Christmas dish as a gift, which I still have. Lola also did crocheting. She made me a beautiful crochet bedspread for our king size bed.
I still have these items because they remind me of how generous and
kind she was to me. I did her hair , but she left me with a bigger gift. I
wanted to be as kind, fun and unselfish as she was. My sympathy to the family.

LoLo (as I called her) was one of my most favorite people. She treated me like her own, loved me like her own, and taught me like her own. She watched me for a couple years (birth-3 Years old). LOLO was and always will remain, near and dear to my heart. My heart and condolences go out to the whole family. Sending prayers up, for everyone who knew and loved LoLo.

Lola was an important friend in our young married lives. She cared for my first baby girl for the first 3 years of her life, and was treated like a princess and sister of Jamey. But Joe and I shared Bowling League, Cub Scout family activities, and Parish Life in St. Ferdinand.
Our hearts are broken to have lost such a wonderful friend. We extend our thoughts and prayers to her entire family!
