“ Arn was such a good dude. He would help me to be kind at the times I didn't want to. May his gentle spirit remind us all how we should live. My prayers go out to the family. May Gods grace help you in this time of loss.

“ I'm gonna miss my friend. He was such a kind hearted man. He was a river rat like me but ruled the river like a true captain. He embodied the river code. He would help anyone in need. Feed you. Be the first to fix you up when your broke down. Any he could fix anything he wanted. He was humble. But I admired his skills, ingenuity, strength, and a zest for life. We shared many laughs, couple crys. I will miss having him around. I wish the very best and my sincerest condolences to all who will miss him. May God bless you Aaron. Brett
