“ *Adam, you were so much fun growing up together. We had a lot of fun memories made: creating new things, learning through school, our families getting to know one another and much more!  
I am so so sorry for your families loss. You had a lot of creative ideas and worked hard to keep going. May your memories and love be passed to all family and friends.  
My heart is broken that you are gone but, may your love and light be shared with all of us.*

“ I will be there but Monica will not, it is a Holiday at her job and she already said she would work. Maria is trying to get off work. I have the best memories of living next door at Heatherton. The boys could eat pizza everyday. The kids played outside together all the time. All that skating and skateboarding! They played hockey in the parking lot. I remember when I moved in Adam was like you got to paint over that cow boarder in the kitchen! They could not stand it. Of course, we did.  
Looking forward to reconnecting with you at Lombardos.
