“ My heartfelt sympathy to Shannon, Victoria and Jacob in their immense loss of a husband and father. I am a Perez family neighbor and feel grateful that I got to know Al through being neighbors. I would be on my deck (with my glass of wine) and Al would be on his porch BBQ'ing, which was A LOT, and we would talk and laugh. When I was inside my condo I could smell the BBQ and would go outside to see what dinner was going to be for that evening because he was always Q'ing something. I will definitely miss that. Jacob will now have to take over the BBQ'ing role :). He was ALWAYS genuine, open and helpful. He will be missed, but I know, because of my beliefs, that he is in a much better place and knows no pain, sorry, worry or unhappiness. To Shannon....you know where I live (lol lol) and a glass of wine is always waiting.

“ Our deepest sympathy goes out to the Perez family. What a wonderful Father, Husband, Scout Leader and Role Model that we had the pleasure of knowing and learning from by his example. Dear Al, you will be missed by many many friends. Thank you for all the great memories and moments we shared with you and your family. May God wrap his arms around Shannon, Victoria and Jacob at this time with comfort and peace.

“ *Al was one of the first people to really make me feel welcomed into the boy scout troop that my son joined. In the 2 short years I was lucky enough to have known him, I saw a man who loved his wife and children with all of his heart. A man who gave so much of himself to everyone else around him that it is a wonder that there was anything left for him. He had a devilish grin, and a wicked sense of humor. I will never forget him, and am truly honored to have been able to know him. Am worked tirelessly to do what is best for his children, and the children in the scouting program, and his legacy will be sure to live on in them and in his children. There were many times that he gave me a positive bit of encouragement or a kind word, and it was always just when i needed it most, and he somehow knew just what to say, even without any clue from me that something was wrong. God gave us a gift of an angel on earth when he created that man, and it saddens me that he has called that angel home.*
