“ My sincere condolences to Alex's family. We grew up in Central Baptist, worked at TWA/American Airlines and even lived a few houses from one another at one time. He had a welcoming personality and loved his family so much. Be blessed and know so many are praying.

“ We hire on at TWA in 1968. We worked together for 40 years. Our grand children went to the same grammer school. We played softball together for many years at Forest Park in the Tuesday morning league. I like to think we were friends
