“ I was Blessed to know AJ as a child growing up! I remember playing video games with him for hours! Prayers go out to his Father, Grandma Carol, Grandpa Arnold, and his siblings as two of them are my sons!

“ My family and I were blessed to have known AJ. He was kind and considerate and helped us in many ways--all I had to do is ask. I'll never forget getting up early in the morning and finding him making his favorite dish--mashed potatoes and green beans--after getting off work. The world will miss him.
