“ I was honored to be part of the care of Mrs. Bledsoe. She was a beautiful, sweet lady and always had a smile for me. Her daughter Pam was a loving caregiver who made her final days as comfortable and happy as possible. As I volunteer I truly appreciated their gratitude and love.

“ Mommy, you may not have known the impact you had on me, but you were the best example of what an awesome Mom should be. You made it possible for me to have the best teenaged years I could imagine and continued to be that example. You will be missed so much by friends and family. Love you ❤️
