“ *Not everyone knows this but, Andrew had a good singing voice. I loved it when he would sing along with the radio.*

“ *I know I should not feel sad for Andrew, he is in Heaven with his grandparents. I am mad that his life was cut short because he was not healed from serving our country. My heart hurts for Gina. He was her whole life and she has to live her life without him. We all need to hold her up. I love you.*
