“ *Granny you are truly one of a kind. I want to thank you for the love and those great stories. I was able to talk with you about anything, and you always made me laugh. But I will truly miss your hugs and big smile. If I could receive one more text or call I would know it was a dream. But it hasn't come yet. You know I don't have a selfish bone in my body, and our God clearly had a different plan for you. So until we meet again you are the best granny a girl could ask for.*
