“ I can remember almost like yesterday when she use to be in the marching band for Sumner High School clarinet section, watching her in the May Day Parafe and feeling so proud of her even when they got caught in the rain and they stepped even better it seemed. Fond moment.
You will be missed but never forgotten big sis.

“ Toni was an amazing mother and wife! I can remember countless Saturdays hitting the highway, tailing behind her with my kids all piled up in my van, to go watch the boys play college football. She was never short on excitement and always long on patience. My family holds those memories so dearly in our hearts.

Toni will be missed for sure.
