“ Archie was my brother-in-law for almost 30 years and even though we didn't see him and Marty all that often, he was still a big brother. When Ron was in Kansas City this past May, Archie came out and spent a couple days to help me catch up on yard/garden work. We will miss him greatly but Marty, you will always be our 'sister' and we love you!

“ Dear Marty and family, I'm so sorry I was out of town and couldn't attend the service for Archie. He was a very special friend to all of us in his Class of 1966. We will miss him so very much. May your faith, family and friends carry you through this time of sorrow! We were looking so forward to spending time with Archie and Marty in Jan. on the cruise, his memory will be present.

*Thinking of you,

Sorry I missed the last class reunion. Little did I know it would be the last time I would get to see him. My condolences, Marty. I remember Archie and George growing up next door to each other on Harper St. and all the time I spent with them. Stan

“ Archie was such a good friend to musicians. I will miss his humor and sharing of his talent. He taught me the song "Arab Bounce" which I added to one of my fiddle CDs.

“ I was a classmate of Archie's at PBHS. We went our separate ways after high school and crossed paths infrequently. Everytime we did meet he was always the same man, gentle, caring and sincere. Archie was truly one of the good guys and everyone that knew him is lucky to have crossed his path.

“ Archie was one of the nicest people I have ever known. I was fortunate to be one of his friends and classmates from Poplar Bluff's class of 1966. He was a true gentleman and a gentle soul. I'll miss his shy smile and genuine nature. Marty, you and the family are in my thoughts.

I have known Archie for many many years. He was one of the first friends of George's that I met. We have some great memories of Archie in Tahoe, in Missouri, and in Griffin, Ga. Most recent memories were a cruise with Marty and Archie.....we laughed so hard we cried. We won a music trivia contest because Archie knew so many songs. A couple of years ago, at Tahoe, there was quite a blizzard and Archie and I were at the parking lot ready to go get our tickets. We looked at each other and he said, "Let's not go and say we did." and that is what we did. He was loved and will be missed by many. Much love to his family and know he wants us to remember all the good times. Dale Williamson Danner Griffin Georgia

Archie was my oldest and dearest friend. We lived next door to each other on Harper Street in PB. We rode our bikes everywhere, hunted and fished all the time. Our freshman year at SMS, Springfield, Mo. and later lived together in St. Charles, Mo. while working at the Ford Assy. Plant, Hazelwood, Mo. And then South Lake Tahoe in 73-75. My dear friend will be missed. Every time I ride Sunrise Chair at Kirkwood, I will remember Archie. Very few people are lucky enough to have a close friend like Archie, I never saw him get mad, he always was the calming force in my life. Many, many memories of Archie. God bless you and your family.

As I sit here reading all of these wonderful tributes I have tears in my eyes. Although I did not grow up with Archie or was not directly related to Archie I have always felt a warmth from him from the very first day I met him. Archie and Marty have always welcomed our family into theirs with open arms, for that I am forever grateful. I feel completely honored to have known Archie, as stated above, his warm and gentle ways have guided so many, he shared a sort of wisdom most of us can only dream to one day possess. Archie you are cherished. Marty you are loved. May your continued strength and the family you have grown so well support you through this most difficult time. With fond memories, Kelly, Randy and Breanna Wexler.
