“ Mike you are in my prayers as you journey through this difficult time. Know that God is with you and He will see you through. Barb will be missed. I remember when I first met her. Every trash day I would come home and my carts would be pulled up to my door and I always wondered who was bringing them off the curb. Then one day I was home and I heard someone pulling my trash carts up to the house. I jumped out of bed and peeped out the window and saw it was Barb. That started a friendship that continued until now. She was very special and every Christmas she would send me a card and sign it, your Good Samaritan. That's the kind and good hearted person she was. I miss seeing the two of you walking the neighborhood every day, rain or shine.
