“ *Where do I begin, Ms. Mills was truly a GOD send to working parents who needed a safe and affordable place for their children. Ms. Mills wasn't a babysitter, she was a grandmother to the children entrusted in her care. She left a legacy of love and kindness. Ms. Mills will forever in our hearts.*

“ The ‘Greatest Tribute’ I could express as to what the ‘Mills’ family has meant to me, was to name my most precious gift (my daughter) after a member of ‘Ma Mills’ family (Tori)!

I hold and cherish so many wonderful memories. I will never forget Ma Mills’ kindness to me while starting my first year of teaching there is St. Louis. She took me in as one of her own. Vickie, June, Kim, David, Todd Krystal, and Ingrid, please know that there will soon be the greatest family reunion ever where Ma Mills will be standing next to her Precious Lord and Savior, looking for each of you and your darling children.

May God send His Angels to surround you in comfort.

Hugest of Hugs and Love,

Just Cheryl

Bennie will always be in my heart. I truly love her, as she had a balance of force and sweetness. I can't say enough about the impact she had on me. My family are praying for her entire family. And a special love goes out to Vickie, along with Kim.

Sister Mills was, in my estimation, MOTHER OF THE YEAR! A mother of mothers, he never gave up. She not only raised her 7 children, but others as well. I know she is greatly missed. But we can take comfort in looking forward to seeing her in the earth made new.
