

Bernadine "Bunny" Wall

March 22, 1933 - November 26, 2015

Bernadine "Bunny" Wall left us to join her husband Oreon "Scott" Wall, her son Christopher Scott Wall, her 6 siblings and her parents Paul and Mary Hejna who preceded her to be with the Lord, on Thanksgiving morning November 26, 2015.

She will be missed by her children Peter (Vickie) Wall, Mary "Kathie" Scott Wahoff, Theresa "Terri" Wall, Stephen Wall; her grand children Brian (Shanon) Wahoff, Jessica Ysunza, Ryan Garza, Christina (Ormani) Reina, Deanna (Matthew) Schumer, Lindsay Garza, Aaron Wahoff, Becky (Jeremy) Daricek, Jonathan (Kelle) Wahoff, Sarah Wahoff, Connor Douglas; her great grandchildren Dylan, Katherine, Isabel, Loralie, Lillian, Alyssa, Alyssa, Roman, Trinity, Nadia, Micah, Leighton, Ellie, Amelia, William, Emma, and Morgan. She is also a beloved sister of Marie "Lala" Tom Dooley and sister-in-law of Joann and Virginia Hejna, and aunt to many nieces and nephews.

Bunny spent her lifetime investing in others, teaching hundreds maybe even thousands of children and adults the joy of tennis, and how if you could be victorious on the tennis court you would be victorious in life. As her children we spent countless hours with her on the tennis court bouncing the ball, doing drills, practicing all those forehands and backhands and serves. I believe she helped to change and to improve the sport of tennis in the St. Louis area and maybe even around the world. She taught and coached at her alma mater Rosati-Kain and then after getting her Bachelor of Arts in Physical Education at Southern Illinois University-Edwardsville at the age of 45, she taught and

coached at St. Mary's Academy, then at Alice High School in Alice, Texas until she retired,. She loved the Cardinals, and she believed that "she was their greatest fan." For the most part, if it was a sport, she loved it, and spent a lot of her last days cheering on all of her favorite teams and players, coaching all the way. My hope is that we all remember the good and not the bad, the silly and not the sad, and the times she brought so much joy and happiness to so many.

“ I first learned how to play tennis from Ms. Wall at a camp in Ferguson about 45 years ago and have fond memories of her. I received a patch from Ms. Wall for winning some type of competition at the camp and still have it to this day.

“ *May loving memories of your mother fill your thoughts during your time of sorrow. I am so sorry to hear the passing of Bunny, our family grew up just a couple of houses away from the Wall family. I remember her walking the block talking to all they neighbors along the way, such a nice lady. Terri, you and your family are in our thoughts and prayers.*

“ *My name is Dianna and I was Bunny's housekeeper for the last 5 years. She would talk to me the entire time that I was cleaning. Sometime I couldn't hear her, but she just kept talking. Bunny would always ask how I was feeling and tell me that I would feel better if I would take her Shakley vitamins. I will miss Bunny and her stories about being a tennis coach. RIP*

“ Mrs. Bunny Wall was the physical education teacher/tennis coach when I attended Rosati Kain in the late 1960's. Her enthusiasm for tennis was contagious, and she encouraged us to make physical activity an important part of our daily lives. We always looked forward to PE because we knew we would have fun in her class. I remember the coordination drills she taught us, and later on, when I became a teacher, I used those same drills with my first grade students, when we needed a break from academics. Mrs. Wall loved us, and we knew it, and we were privileged to be her students. I extend my sincere condolences to her family. Patrice Geers Whaley, RK class of 1970

Your mother was wonderful. My brother and I both took tennis lessons from Bunny in Ferguson Missouri. I was only 10 years old when I started lessons with Bunny. Because of her I was able to continue playing through my college years. I will never forget her. God bless.

“ *Although I never met Mrs. Wall, I feel as if I knew her. Mary would talk about the things she had planned with her mother; visits to the doctor, grocery shopping at Dierberg's, and various activities the two of them did together. Mary cherished the time she spent with her mom, and looked forward to any opportunity she had to be with her. May Our Heavenly Father bless you with His perfect peace as you mourn her loss and celebrate her exceptional life. You and your family remain in our thoughts and prayers.*
