All I only had the pleasure of seeing your Mom twice and on both occasions She was full of life, smiles and joy. I can say that I know your pain and I will not say it will be alright but it will be easier to bare with your FAITH IN GOD for his strength. We love you.

My Aunt was an Angel given to us to teach us love. She gave love without condition and inspired without reward. She made us who we are. We benefited from her beauty and we will never stop missing her. I thank GOD she was a part of our lives.
