“ We are just now finding out that Bobby passed. We are so heartbroken to hear. My son was the young boy in the video who Bobby surprised in St. Louis by sharing his amazing truck and bringing my son a giant bag of goodies! The most special being this picture of Robbie near his truck that was autographed with a special encryption on the back. He always kept in touch and always took time out of his day to think of Robbie. Sending him pictures or a text or a happy birthday. What a hard-working and kind man he was. He will definitely be missed by our family. We have a special place in our heart for him.
