

Bruno Andre Smith

October 7, 1959 - February 13, 2025

Bruno Smith was born October 7, 1959, to Elisabeth Louviere in Rimaucourt France, and later to his Adopted father Terry Smith. He was the First child of three children of their union of marriage.

Bruno moved to America with his mother and adopted father in 1964. He had 2 brothers Jacques Smith and James Smith. In August of 1977 Bruno moved with his family next door to the Amrein family where he met his life partner Julie Smith. He grew to love his second adoptive father Jay Tiehel. He started his career as a car mechanic at CarX from 1979 till 1989, and finished his Career at Apache Village as a Service Manager from 1989 till he retired in 2022.

Bruno Married his wife Julie Smith March 13, 1981. From their lovely union there were born four children Christine, Daniel, Laura and Nicholas. Bruno set a fine example for his family as a hard worker and provider, which not only influenced his children, but that of his nephews, nieces, coworkers and friends. Bruno was always helping and teaching others about cars and RVs. Bruno dedicated his life to providing for his family. He worked hard and played hard. Bruno enjoyed outdoors, camping, riding his ATVs, rebuilding classic cars and watching movies with his family. He loved enjoying different foods and having good times with family and friends creating beautiful memories! Bruno truly never knew any strangers. He loved people and more importantly he loved helping his neighbors and people in general. Bruno was the sort of person that would give you the shirt off his own back. He lived by truth. He

was knowledgeable in just about everything, if he didn't know he figured it out. He was our family's Rock.

Bruno is preceded in death by his Mother Elisabeth.
