Tribute Wall

“ Hey Kathy I just wanted to let you know I have been thinking about you over the last few weeks. I know there's nothing I can say that can make your hurt go away or any better but I do remember all the times that we would get together when I come to St Louis and Carla and Kristen would be there up until young adulthood with Dylan in Dallas no older than four and they would run around the table after they all had dinner the Mexican restaurant which I'm having brain cramp on right now cuz I can't remember the name of it LOL. Anyway I'm glad we all got to share times together like that I miss you and I think about you a lot and I hope you're feeling better and you're doing okay and your loved ones are with you helping you to be strong . I love you girl!
