“ *I worked at the Wetterau data center and got to meet with Carole and the HR dept often. Carole was always so pleasant and happy no matter what was going on. She was so proud of her children. I was going through a divorce at the time and my 2 sons were teenagers. She was an inspiration to talk to with always words of wisdom and encouragement. Prayers for her family and friends continue.*

“ *I can't begin to tell you all how sad I am on losing my co-grandma! She was a very special person who took Cris and I into her family and always made sure I was included in the girl get togethers. I will miss her a lot but also know she is resting and not fighting the battle any longer. Rest in the arms of God my friend. Jane Q*

“ *Carole and I worked together at Hazelwood West and again at Wetterrau (thanks to Carole's recommendation) and became good friends. She always took care of her family and friends. Most importantly, Carole was a great single mother to Jeanne, Paul, Joanne and John. I know they know that. She took John and my boys to a KISS concert! They will never forget it (and either did she). I am sorry I lost contact in recent years but I did get to see her recently and I thought she was going to bounce back like she always did. So sad. So sorry. We laughed alot. I will miss her. RIP.

Ms. Steffen - I'm so glad you were able to see mom before she passed. She valued her friendships greatly. Thank you so much for the kind words. You are absolutely correct that us four children know what a great mother we had - Jeanne.

“ *I worked with Carole at Wetterau and Supervalu. We were in the Red Hat Society together. We attended monthly Wetterau breakfasts together. And, we were good friends. I loved her strong but gentle spirit, her passion for life, her wonderful sense of humor, and her sense of adventure. She touched my life in many ways, and I will miss her very much. My condolences to her family. You were lucky to have such a wonderful mother, and you always have beautiful memories to share. Love to all of you.*
