“ I am so saddened to hear of Carolina's passing. She was a classmate of mine at SLU. We were in several classes together over the past two years, but I was unaware that she had died.

Carolina seemed to me to be a strong and brave young woman who had the intelligence and courage to make a life and career for herself in a country that was foreign to her. I appreciated her shy smile, her knowledge and her friendly manner.

My prayers go out to those who loved her. Please take some comfort in knowing that she made the world a better place simply by being in it.

“ *Amiga hermosa ha pasado un mes de tu partida y aún me resisto a creerlo, me duele mucho tu ausencia y todos los días me levanto deseando que fuera sólo un mal sueño, agradezco a Dios la oportunidad q me dio de conocerte y de compartir durante años nuestra amistad, gracias por estar siempre ahí, por tus consejos, por escucharme por estar siempre dispuesta a dar o recibir un consejo y sobre todo por aceptarme como soy, sin juzgar ni querer cambiar. Te amo y te llevaré siempre en mi corazón y pido a Dios la oportunidad de compartir muchas muchas vidas más con un ser tan maravilloso como tú. Que Dios te bendiga y a nuestra Marifer tmbn por siempre.* ”

“ *Querida amiga; han pasado casi 3 semanas y todavía no lo creo. Fueron 20 años de amistad y aunque pasen otros 20 siempre estarás en mi pensamiento y en mi corazón. Gracias por esos 20 años y por todo lo que vivimos en las distintas etapas de nuestras vidas. Gracias por tus consejos, por siempre escucharme y por haberme hecho valorar todo lo que tenía y no lo que me faltaba. Tú y Marifer son ahora 2 ángeles más de Dios que irán eternamente de la mano. Cuida de tu familia y estoy segura que algún día nos volveremos a ver. Te quiero querida amiga, jamás te olvidaré.* ”

“ *Carolina, trabajé contigo durante un período corto de tiempo, pero suficiente para saber que tenías una belleza interna inmensurable, siempre veías el lado positivo de la vida y siempre recibías a las personas que acudían a ti con dosis infinitas de simpatía, paciencia y voluntad de ayudar. Mis recuerdos de ti son y serán siempre positivos! Las personas que te conocieron y trabajan en Brasil también guardan bonitos recuerdos de ti. Que Dios te tenga siempre en su Gloria, junto a tu pequeñita, y otorgue fortaleza a familiares y amigos en estos momentos de gran dolor y tristeza. Descansen en Paz !!!*

“ *Lo siento mucho, no tengo palabras...Carolina and I took the last classes together and graduated together. She was one of the nicest persons I had the honor to meet, she was always so happy and calm. She taught me not to worry so much about things and always be positive. I'm sure heaven has one more angel up there and she's right there looking after her baby girl. She will be missed a lot...*

“ *God must have been short of an angel in Heaven. So, he recruited on of the most beautiful person I know. I will always remember Carolina soft spoken voice and her innocent demeanor. She will truly be missed.*

“ To the family of Carolina, I never met Carolina but we shared our pregnancy journey together. We enjoyed many emails back and forth and tried to keep each other optimistic in times where there was no hope. I will really miss Carolina and have a huge hole in my heart. May you all be comforted in knowing what a true angel Carolina and her baby girl are. I am truly heartbroken for all of you.
