“ *We called you Carol. I'm so sorry to hear about her passing. When we visited Florissant to see our old house on Remus, we had to stop by to see Carol & Louis. She was the best person & kindest person to us. When we moved, in 1989 from Remus, they had a fish fry for us. We loved the whole family.*

“ Carol (Mom), I don't have the words to say how much you mean to me, you took care of me when I needed someone there. You always said you wouldn't know what you would have done without me but you were the one. I was just a little girl that came over and introduced myself and from that day on we were family. I loved our talks and we made each other laugh so hard. I don't know how I'm gonna manage not being able to pick up the phone and call you, I love you with everything I have may you Rest In Peace. Sending BIG HUGS to Hope, Louis and Linette Love You 💕

“ I am thankful to have met this beautiful soul. The first time I met her she handed me a bible and told me to read a specific verse (in which case I will never forget). She then told me to keep the bible and remember Jesus Christ as my Lord and Savior. That act of love and care was so selfless. She’s truly one of a kind and will be so dearly missed.

“ My deepest sympathies to the family, I am so sorry for your loss. My favorite memory of Carolyn that brings a smile to me, is the day she invited me to lunch at Josephine’s Tea Room in Grafton, IL. She took me to an amazing, darling place and treated me to lunch. Afterwards, we shopped in the adjacent gift shop looking at clothes and jewelry. We had a wonderful day together and Carolyn was so kind to me, I loved it. She and I have always shared our love of faith and the one comfort of her loss is knowing she is home where there is no more pain, suffering or tears...only complete and everlasting joy. God bless you Carolyn!

“Mrs. Balducci...I'm so upset that all the times you and your husband came across my mind I never acted on reaching out to see how you all were doing. I will forever hold you in my heart and the life altering things you instilled. You are the foundation where I learned to anoint my own children and to pray over them, to discipline them with love, and to anoint my home and speak out loud to the enemy. I can go on and on. You left a footprint in my life that will forever be there. Hope, Louis and Linette you all have my deepest condolences. I know it's not easy, first losing dad, now mom. I'm praying for your peace, comfort and all the love you need at this time. I love you all.

“Last week in our Bible Study class, we were talking about praise and how we are to praise God even when we're in the crucibles of life, facing trials, and suffering. The lesson pointed out that praise has to be spoken and we talked about how there are some people you meet who always seem to have joy in their heart and praise on their lips in spite of their circumstances. I thought of Carolyn. You couldn't be around her without hearing her mention the name of Jesus and talk about his sacrifice, his love, his healing power. I'm thanking the Lord for her life and her testimony, and praying that God will comfort all who are grieving. 1 Thessalonians 4:14
