Catherine M Engelmeyer, 73, of Florissant Mo, while in the hospital, passed away on April 21,2023, surrounded by her friends and family.

Cathy, born on May 31,1949 to Robet VanDillen, and Dolores Duepner VanDillen in St. Louis, immediately brought joy and laughter into the world.Cathy went on to graduate from St Mary's High School. In 1970 Cathy metJohn and the two were inseparable from that point on. Cathy and John were married for 50 years and had 2, Scott and Elizabeth

Cathy was a fiercely dedicated mom to all of her children, raising the 2 of them to go on to accomplish great things. Family came first and was above all else to Cathy, a value she instilled in all those around her. The hole left by her absence is impossible to fill.

Cathy was my cousin and though we didn't see much of each other as adults ,I still remember growing up and playing when we were children. She was always a caring person and took great pride in family . May everyone find peace in their memories of Cathy.

“ She was my 4th grade teacher at St. Rose, who was so kind and patient. Anytime any of us had stomach aches or felt bad she gave us a mint. So encouraging of my cursive and creativity. Used to live down the street from me too. Such a thoughtful lady.
