“ *Mark, Monica, Olivia, and Michelle: Tony and I know this has been a tough time for you and the entire Allen family. Mr. Allen was a special man and quite the patriarch. I know he will be missed dearly but he continues to live on through the legacy he leaves in each of you. What a blessing to have those lessons, love and strength to continue the legacy with. We love you, Tony, Lynette and Family.*

“ *Michele, I am so sorry for your loss, but you and your family will continue to be in my prayers. We all know that dad is in a better place and that is with his heavenly father. It was good to see you and Roy and to share some quality time together during my visit in St. Louis to celebrate the life of our very good friend and brother, but the ideal that we shared it together made it all the better. May God continue to bless and keep you. Love always,

“ *The Allens are/were the other half of my family growing up. We lived next door to each other and were in and out of each others house everyday. Playing with them is some of my best memories. We were always there for each other. They were my cousins and my best friends. I am sure Charles was tired of seeing my face everyday (smile) but he never showed it. Charles always greeted me with a smile on his face and kind words. He was a rock steady and unbeatable. I knew he looked out and protected me like I was one of his daughters. There are no words.....*

Love always,

Corky

I've known Mr Allen for many years. I first met him at the bank. We would talk and I got to know him quite well. Then he moved into the neighborhood. I would drive by and see him outside and wave and chat a little. I asked him to come to our church, but he liked going to the College Church on Grand Ave. He was such a nice, gentle man. I'm sure God welcomed him home with open arms . Rest in peace, Mr. Allen. Gen Pohl
