“ Dear Grandma Kell, I love you. You are beautiful and always have been! I know we didn't get a chance to see each other much because of where we live, but know that you were and always are in my thoughts and prayers and will always have a special place in my heart! You are such a beautiful person and had so much to offer the world. Although you were taken home to God, I know you are in a better place now and I am sure all of our other family members up there are thrilled to see you again too! Ill scratch some scratch offs for you!! I love you with all of my heart <3

Love, Tay

“ "God saw you getting tired and a cure was not to be. So He put His arms around you and whispered "Come to Me." With tearful eyes we watched you, and saw you pass away. Although we loved you dearly, we could not make you stay. A golden heart stopped beating, hardworking hands at rest. God broke our hearts to prove to us, He only takes the best." Love you Mom, Ricky and Connie
