**Gail Robertson** - July 19, 2016 at 02:30 PM

“ *Clay was a very good friend to me. we would talk for hours on the phone. He always made me feel like I was special.(even though I know I am not). He knew how to listen and always kept in contact even if it had been months inbetween times we talked. You couldn't ask for a nicer person. I will miss him tremendously and the world has lost a great soul. Heaven has gained a great angel*
