“ Always will remember the time Aunt Cora and her sister drove to El Paso Texas from Newark NJ around 1980. It took us like 3 or 4 days to get to El Paso I was 13 years old at the time and Aunt Cora did all the driving because my mom didn't drive and I was too young. And one the road trip Aunt Cora pull over on side of the highway in Missouri because my mom never saw red dirt which we saw. Aunt Cora said peewee they called me peewee then. Go get your mom some red dirt in this small can. My mom was so happy. They had so much love for each other as sisters. My mom always look up to her big sister and was always proud of her. Aunt Cora came to visit my mom right before she past away in 2013 . I never saw my mom so happy when She saw Aunt Cora walk through that door. What a blessing it brought tears to my eyes and 1980 came rushing back to me the love they had for each other was amazing and to witness it was a blessing . I love you Aunt Cora and may you and mom forever be together rest in peace.
