“ Oh Baby Tez my heart is completely broken💔 I would've rather much so left and let you live your precious life. 8 months too soon, you did not deserve this. You were our first baby boy💙 I named you, after your uncle & Pa. (Shamar Cortez & Curtis Lee) and I never even got to explain to you why, you were our little miracle angel baby, you were TeTe son now I'm empty. The most handsome, chunky, loving baby ever. God wanted you more, I won't question a thing at all. But watch over ALL your Lynn girls, family, & most importantly your 3 big sisters. December 18th changed me forever I will never be same. Now I'm typing this uncontrollably crying wishing you would send me any sign that it's okay..I'm so glad I got to spend the time with you I did. I wish we had more time together. keep me a spot nice & warm RIGHT next to you, Shamar & Pa.

“ As I sit here typing this, I just think to myself “why?”. I was told to never question God and his doings. My nephew is now my guardian angel. He’s forever in my heart. Tez I miss you so much, it breaks my heart that we’re going through this and you’re not here. You brightened up everyone’s day especially mine, you were so chunky. I wish you were here so I could tell everyone you pooped because I wasn’t changing you lol. I wish you were here so I could practice my baby talk because your Auntie Courtney always told me I sounded creepy and scary lol but I hope I never scares you. I don’t think I did because you still always found a way to crack that smile full of gums.. you were so handsome and I honestly think we looked alike so you know you were the most handsome little man ever. God wanted you more and that’s something I can’t change. You are in better hands you up there learning from the best! I know you’re crawling I hope you finally picked that other leg up cus you used to just drag it lol or are you walking now? I love you forever Tezzy. Always in my heart. I’ll stay screaming your name until my last breath. #CortezandLexieforever
