

Damien Rashad Williams

October 15, 1979 - May 21, 2022

Damien Rashad Williams passed away unexpectedly at home on May 21, 2022 at the age of 42. Damien a loving husband, father, son and brother was born on October 15, 1979 in St. Louis, Missouri to Maggie Dean Williams. He is the beloved husband to Megan Williams, loving father to Jordyn Williams, Jada Williams, Jaylon Koch and loving brother to Michaelangelo Loggins. He also left behind many aunts, uncles, cousins, nieces, and nephews that will miss him dearly. Damien and his family resided in Florissant, Missouri and he was employed at DB Schenker as a forklift driver.

Damien was affectionately known as "Damo" to family and friends. The love he showed for them was unmatched. To know him was to love him. His smile and laughter was contagious to those around him. Damien proved himself to be a wonderful and dedicated father. He loved watching his children enjoy life and new experiences. Whether it was a secret hand shake, a practical joke, riding go carts and four wheelers, or playing play station with them, he loved to make them smile. He had an unbreakable bond with his mother whom he cherished deeply. To him, she was the person that gave him the motivation to be a better man for his family. Damien shared his life with his best friend and spouse. They loved traveling together and making memories with family and friends. Damien enjoyed taking trips to visit aunts, uncles, and cousins out of town. He got joy just spending time with them and sharing memories. Damien loved his brother and loved his friends like brothers. Watching football, making

bets, and spending time together in Damien's "man cave" will forever be cherished between them. Damien was deeply loved by so many family and friends and his presence was a true blessing to all who met him. He will be sorely missed but not forgotten.
