“ I will always think of Danny as a young, long haired, tan, big shouldered man. Always running around in the summer with no shirt on. Fun loving, funny, kind and compassionate . A real good guy. Rick's best friend since 1975. It was Danny that told Rick to apply at Young Dental where Danny was working at the time. It was there that Rick realized he could become a great machinist.. Danny had an impact on so many lives. Cheryl, I'm so sorry for your loss. It's always been Dan and Cheryl for as long as I can remember.

“ *In the almost 24 years that I have lived here on Impala, I have so many memories of my wonderful neighbors, Cheryl and Danny. I would bring the kids there to trick or treat, or just come to talk. Danny would be there saying hello. He would wave when I would drive by if he was sitting outside. Couldn't have asked for nicer neighbors! Love you, Cheryl. Danny will be missed! your neighbor, Kathleen Boyd*

“ There are many memories I, we, have of Dan. So many that have had an impact on our lives. Mostly adventures and circumstances that make you want to laugh so hard that you split.

The one that stands out the most to us is when we got married...Dan, Cher & Maureen came up to our home in Ft. Dix, NJ. It was the night before the wedding and we did not have the typical rehearsal dinner. It was just a quick go through at the Chapel on Ft. Dix. Then we went back to our place and had "our" rehearsal dinner. It consisted of moonshine, chips and in lieu of dip, potted meat was served. It really was a night to remember for us all. We always spoke of it often thereafter. Some had more fun then others. We'll always treasure that memory and the many others. We love you dearly Dan and will miss you tremendously. Cher, we send you our love, peace and Gods strength for you & for the rest of Dans family. God Bless you and BJ.  
Love always, Ronj & Wes
