

Dr. David Allen Beck

June 16, 1963 - January 12, 2022

Dr. David “Dave” Beck, 58, passed away Wednesday, January 12, at his home due to cancer. Dave was born in humble circumstances in eastern Iowa. He graduated in May 1989 from the University of Iowa. Dean Gorrell arranged the meeting of his wife, Jill (Lucie), of 32 years the night of his medical school graduation. Both children, Jacob Beck, PharmD (Christine Auberle, MD) and Christy Dickinson, FNP (Wes Dickinson), were born while Dave was completing an Internal Medicine-Psychiatry residency at University of Iowa Health Center. Family was always Dave’s great love. However, after a short-term mission trip in Haiti, Dave developed a keener understanding of Jesus Christ his Lord and Savior being first in his life. Dave stayed humble to the very end, serving Christ, loving his family, and serving patients as a ministry.

Burial will be private and restricted to the immediate family.

Additionally, there will be a private celebration of life on June 18, 2022, for people willing to laugh and share stories about Dave’s foibles. Memorials will go to the Dr. Robert G. Robinson Lectureship in Psychiatry (University of Iowa) in honor of Dave (for those who maintain their loyalty to the Iowa black and gold) or to Messiah Lutheran Church, St Louis, Missouri.

“ Dr. Beck set forth important diagnoses on my Mother in 2019 which prove valuable to this day. My Mother is now 89 and cognitively struggling. Now we know when it started. Wish he were here now.

“ David was a classmate of mine and, though I didn't know him well, I was inspired by his intelligence and kind, gentle demeanor. Sending my thoughts and prayers to you at this sad time. God bless you!!
