“ *Joyce, David, Jessica, Rob, and Allison...our hearts go out to you with Dave's passing. He was a great man; funny, caring, thoughtful, kind and would go all out for his family and friends...as well as many kids who needed him through out the years. He was the type of guy that everyone could talk to; loved to listen and give advice. But oh so many memories, good memories...cherish those and remember he will always be beside you in spirit and forever in your hearts.*

“ *I am so sorry to hear of Mr. Jetton's passing. He and Mrs. Jetton were a joy to work with when I taught Allison in first grade. You were always so kind and supportive. Allison was a joy to teach and I loved when she would stop by for a visit as she grew up. I have had the pleasure of visiting with young David and his family over the years, as well. My heart goes out to all of you and I will be thinking about you.*
