“Remembering a Life Well Lived”

*Some people just can't help  
Making a difference in our lives.  
By simply being who they are,  
They make the world  
A little brighter  
A little warmer  
A little gentler.  
And when they're gone  
We realize how lucky we are To have known them.  
The world has lost a very special person.*

*A Family Personal Note: "Mama Lois" (as we so affectionately called her) was EXTREMELY special and so loved by her family here in California. We will NEVER forget her giving nature, loving spirit, and how she played her part so well as one of the "Matriarch's" as one in the VILLAGE. From pampering "many" baby bottoms to giving loving guidance, advice and beyond... Her love was shown and felt more than words could ever express! She, surely, touched each and every one of our lives through her kindness, love and wisdom. "Mama Lois"... You will be TRULY missed, but never forgotten, and always remembered and loved.*

*With a heartfelt loss,*

*Her Loving Family in California,*

*Rose (Big Puddin), Khandi (Lil Puddin), Lil Jimmy (and daughters)  
and Kyle (aka "Kow-wee")*

*WE LOVE YOU AND MISS YOU ALREADY... "MAMA LOIS" Rest  
in Heavenly Peace*

*Ms. Dee I will never forget the phone calls and all your concern that you extended towards my Dad Wendell Jones, whom you fondly referred to as "your phone buddy". I will miss hearing you share all of the fun filled memories you had on your numerous trips you often took at a moments notice when you were called to care for others in their time of need or just to have fun. Ms. Dee I know that your job here is done so now it's time for you to be cared for by the best caregiver ever... your Loving Heavenly Father!! Sweet Angel Take Your Rest and listen closely as you hear the Lord say to you "Well done thou good and faithful servant"....Love Always....*

“ I remember the first time I met Miss Lois was at a BBQ in my backyard. She came along with her daughter, Margo, who is like a Sister to me. I remembered thinking how young and pretty she was. Such a lovely person inside and out. I have encountered her over the years at a variety of occasions and remember her very fondly. A very gracious lady.

*Family, hold on to all of the good and precious memories you have of her, and above all, hold on to God's Unchanging Hand.*

*Praying for you Margo and all of your family,*

*Love you,  
Gale Stuckey and family*
