“ *The Cord*

*We are connected, My child and I, by An
invisible cord Not seen by the eye.*

*It's not like the cord That connects us 'til birth This cord can't been
seen By any on Earth.*

*This cord does it's work Right from the start. It binds us together
Attached to my heart.*

*I know that it's there Though no one can see The invisible cord
From my child to me.*

*The strength of this cord Is hard to describe. It can't be destroyed It
can't be denied.*

*It's stronger than any cord Man could create It withstands the test
Can hold any weight.*

*And though you are gone, Though you're not here with me, The
cord is still there But no one can see.*

*It pulls at my heart I am bruised...I am sore, But this cord is my
lifeline As never before.*

*I am thankful that God Connects us this way A mother and child
Death can't take it away!*

***BELIEVE HE WILL ALWAYS BE WITH YOU AND CONNECTED
TO YOU THROUGH GOD!!!***

“*Demetri was one of the first students that I had the opportunity to build a rapport with when I came to Brittany Woods to fill in for his counselor. Since that first encounter Demetri and I shared laughter, jokes, and hugs. He use to brightens my day when I see him at school and he goes to me Ms. Williams can I come to your office today? Then when he had to come to my office for saying something crazy to another student, we would have our serious conversation, and then followed by a joke or laughter. He was a child that no matter what the circumstances were, you could not be upset with him for long because he always did something to make sure that you ended with a smile. Demetri was a light in a room that could night be ignored. I truly believe God brought him here for this short time to change people's lives by bringing them memories of nothing but happiness, to teach people how to live free and to find joy and laughter at any moment of your life. I am really going to miss him. However, he was another blessing proof that God has me on the right path and that I am going to continue to meet extraordinary young people like Demetri that gives me passion to continue to work with young people every day.*

My sincerest sympathy goes out to his family, and I may God strengthen the family through this difficult time.
