“ *Oh Denise. I could not have been happier when I found your mom and dad then got to have a relationship with you and your brothers after finding you guys. My world was incomplete without knowing you till I found you. Will never forget that time. I am so sorry Denise. You were such a wonderful person. Thank you for accepting me back in the family after all those years of not knowing where you were. I feel like my life was blessed to know you. I will always remember our talks on the phone and over FB. Love you... until we all meet again one day. ❤️*

“ *Denise was always kind to every person she met! She loved her son Steven and 3 grandchildren immensely and bragged about them every chance she had!! Never did I ever hear her complain about her ailments or trials. Much love to the ones that are left behind to carry on 🙏🙏*

“ *Denise was a great lady both at work and in life. She fed me well after I had my last baby. Also a grandma who was so proud of her son and grandchildren. She cared about others and was a great friend. I will always remember her kindness and dedication at work and Sacred Heart.*

“ *Loving, caring and giving.
Never asked much of others for herself.
Extremely fond and proud of her 3 grandchildren.
Struggled with health issues but did not complain.
Will miss you forever.
Love,
Your sister Diane*
