To Julia, Tracy and all of the family, sympathies sent to you on behalf of your beautiful mother who is now sleeping in the arms of our Lord and Savior Jesus Christ. I know you loved her so much but we know God loved her more and nobody can love like God. I know looking back on the memories of her you will know and remember that you are Never alone, for she is for sure a beacon of hope and a bouquet of loveliness forever. Amen To God be the Glory. We know that it's hard to accept death no matter when it comes, but we know that God does all things well and that He knows what's best. At a time when words are so hard to find, know that you are cared for very deeply and loved greatly by so many. While we may feel helpless at times in knowing how to comfort you, the Lord knows exactly what you need. He will minister peace & comfort to you in many unexpected ways. He will walk with you through the coming days & see you through each one. God has promised to wipe every tear from your eyes, to be there loving you, strengthening you & giving you what you need to face each day because He has said in His word "Never will I leave you, never will I forsake you." (Hebrews 13:15) No matter what happens, God will hold you close & see you through because you are so precious to Him. God cares right down to the last detail. (James 5:11)

To the entire bereaved family of Mrs. Diana Sue Bailous, please know that my prayers are with you as you mourn the loss of your loved one. Look unto Jesus for comfort & to fill the void she has left in your lives. Remember the life she lived & live this life the way she did, with dignity & honor, giving of yourself to others as she did. Your grandmother as a loving wife, mother, grandmother & great grandmother with a heart that loved deeply, hands that served her husband, children, grandchildren, great grandchildren & family faithfully, saw the vision to see each one grow into their Godly purpose as she did all she could to be an example to her family as a Godly woman.

Chrissie & Shumari in your quiet time, reflect on your grandmother's life and the many memories that you shared with her & hold those memories dear in your heart, for her legacy lives on in you.....her family. Your grandmother is now safely resting in the arms of God from all her worldly cares as she prepared and waited for this day to come. May the Lord comfort you with His peace...surround you with His presence...and encourage you with His love.
