“ Dear Tron and family. While I know your hearts are very heavy at this present time, I hope you know your father is in a much better place resting in the hands of our lord, free from pain. Please hold on to those precious memories you have. They will get you through the hard times... also too please remember Donlee will be with you and show you signs of his presence. Take those as comfort. I will continue to hold all of you up in prayer and kind thoughts! Take care of each other!  
Sincerely,
