“ Dear Mark and Joey, I had the privilege of knowing your Mom at Metropolitan St. Louis Psychiatric Center. She was one tough cookie! A great nurse with a big heart who demanded excellence from all her co-workers, whether housekeepers, nurses, social workers, doctors or whoever worked on HER unit. Donna's patients could not have been in better hands. And if you worked for Donna, she was a tough supervisor but she always had your back. I bet she was like that as a Mom, too!--Kathy Davenport

“ Donna, we were coming to see you in the hospital when we found out you were there. Don called in the hospital said that you have been discharged. We went to mass and lit a candle for you. I remember all the laughter, because the singing, and dabke all Sunday afternoon. Driving about in my first new car. the day of our wedding and danced dabke in front of all of our guests. I was with you before and After Joey was born shared with you Marks pregnancy. I should has been with you when you pass from this world but I swear to you that I will always remember you in prayer. and in thought.

Rest in God's peace. I pray that angels were there to welcome you.

To Joe and Mark, Don and I can be reached anytime. All you have to do is leave a message at the church they will get the message to me. I love you very much. She is at peace, now. So honor her memory and get your lives together. Remember all the good times you shared together. We are here for you all you have to do is ask.

“ Joey, Mark & family... You have my deepest and most sincere condolences. It is so hard to lose a loved one and though words cant take away the sadness you feel, know that she is in Your Higher Power's Care and you in His Heart. From the Good Ole Days of playing softball in the hospital league at Malcolm Bliss to emailing each other every so often after retiring, I will always have a place in my heart for Donna - my friend forever. She is loved and will truly be missed. May she Rest & Relax in Peace & Paradise.

“ Mark & Joey I'm so sorry for your loss, your mother was a beautiful person and you know I loved her dearly. I regret not stopping by to visit her all those times I wanted to, but felt maybe you guess would feel it was awkward for me to do so. Whenever I saw her out we would hug for a long time and shed tears, she missed me and I missed her...I'm so hurt right now. I need y'all to be strong and uplift each other. Love you guys.... you will be missed Momma Thomas.

“ Mark,

So sorry your loss. Your Mom was a great lady and a friend who always had a smile on her face and was ready to help when needed. She was a great support for me and the Troop taking caring especially for our First Aid and CPR needs each year. She was proud of her family especially when you received your award, as we all were. She was proud of every achievement, but she knew how hard you worked to reach the Eagle Award. I was glad when you Mom purchased and moved in to the same house I owned and raised my family We had a lot of good times in the old house and it was great that it stayed in the family. Let me know if I can help in any way.

Love, your camp and Eagle Scout Dad and friend.
