It has been five (5) long years and we still have not gotten any closure as to the bully that took you away from your beautiful children and family. I must say with a smile that your babies are growing up fast and I see you and your beautiful smile, laughter and characteristics in each and every one of them. You are so loved and missed my lovely niece/daughter.

It's been 3 years and the pain is still very much alive. I wait for the day that the police find the individual that took you away from your family. I love you forever my baby.
