“ Dorothy was always a great source of inspiration and loving advise to me over the years. I will miss our conversations and the occasions we were able to spend together. May God bless Jacqueline, Twana, Rhonda and the grandchildren during this difficult time.

“ *The best memory of my mother is her heart. How she showed love to her three daughters for what ever the situation. How she would spent hours if needed on the phone with me talking me through unbearable pain. How she was there to comfort any of us no matter what the reason. The true loves of her life was first and always her Lord Jesus Christ and her three daughters. I will miss you mommy, but you will always be in my heart until I see you again.*
