Dywayne Kansel Williams was born on April 20, 1999 in St. Louis, Missouri to the union of Larry and Sheena Williams.

Dywayne was educated in the Hazelwood School District. He had a love for all sports, however, his passion was football. He ended this year's season playing wide receiver and free safety for the Hazelwood Central High School Jr. Varsity and Varsity teams. He also enjoyed life by hanging out with his brother and his close friends.

Dywayne was no stranger to anyone that he met and he could capture your

heart by just saying, “hello”. Dywayne touched so many lives with his star quality charm, entertaining wit and his infectious smile. He was always willing to help whether it was cutting grass, shoveling snow or washing a car, you could count on him asking you, “can I do it”?

Dywayne accepted and knew Christ as his Saviour. On January 7th, 2015, Dywayne was inducted into Heaven’s Hall of Fame where football does not have an off season and where he has earned his permanent jersey.

Dywayne was that young man anyone would be proud to call son, grandson, nephew, cousin or friend. He was preceded in death by his grandmother June Harper.

Those left in the stands forever cheering him on: his parents, Larry and Sheena Williams (Demond Doyle); sister, Mariah Williams; brothers, Phillip Kelly and Larry Williams; grandparents, Larry and Patricia Williams and Keith Vails; uncles, Quinton Vails, Sanchez Lawrence, Jacobi Oliphant and Kevin Rachel, aunts; Raquel Rachel, Kasey States, Latoyria Oliphant and Yolanda Willis; A host of cousins, many friends, a special friend, Jayme Danielle McClemore, his coaches and teachers.
He will be deeply missed.

Words can not express the sadness I feel for your family with a loss of such a young beautiful child. No love is ever stronger than that of a mother for her child. Most people work hard to earn that love but you. ...she loved before you were born. You didn't have to earn it or deserve it....it just happens. She will have you in her arms again some day. Rest peacefully until then. Big hugs and kisses.

Although Dywayne wasn't my student directly, I will always remember his smile and his personality. He was a good kid and had a way of making you smile, even when you didn't want to. :) I send my condolences to your family and pray that you find strength in the Lord during this time. God Bless.

“ Dywayne was such a vibrant young man that graced our halls with a smile, and his extremely goofy personality and comments. He was known for saying something "slick" or goofy, and running! Dywayne was a student of mine for a brief time until he transferred to a different class. He had a passion for football and was loved by everyone that knew him. We love and miss you, Wayne!!!!

“ *Every day in Spanish class, Dywayne came in with a bright smile on his face and he was always willing to help with jobs around the classroom. It fills our entire class with sadness that we have to go on without him. We made a memorial in class (an ofrenda) which is the custom in Mexico to honor loved ones who have passed to their eternal home. Each student made a paper flower and wrote a fond memory, a letter to Dywayne, song lyrics or just signed their name. It will remain in our classroom, with candles and pictures of your son and brother. We like to see a small part of Dywayne live on in our classroom.*
