“ To Cee Cee, Marian, and the rest of the family,

May God give you the strength it will take for you to overcome the feelings that death brings. Sometimes whether it's expected or not; we still feel sad and hurt that we will not see our loved one again. Take joy in knowing that you have memories that will last a life time; celebrate her life and not give place to the devil that she is gone. Joy comes in the morning and time heals all wounds. Rejoice in knowing that she is in a better place and is looking down on you!

“ Our heartfelt condolences to the family. When someone special falls asleep in death, it is very hard to let go of the fact that they are no longer with us. We will miss holding them in our arms again and hear their laughter or see their smiles again. Our God, Jehovah, offers a future hope for our loved ones, which will help ease our feelings of loss today. May the coming days bring you comfort and peace (Isaiah 26:19).
