“ *Aunt Edna, I will always remember your strong, loving and outspoken words in our conversations. Weather it was loving or just down right, telling it like it is, even if you were fussing because I disturbed you while you were sleep, when I would call:-) My father, Willie, always spoke of a love that he had with all of his sisters, which is truly a blessing. Now, you are with him, I know that the both of you will walk around in heaven, all day. I will always love you and rest easy with "The Lord"!

“*To my childhood Play Mother Edna I'm gonna miss our long talks and words of wisdom that you have always given me that help make me the woman I am today. Sista Floretta (Dianne) and Rickey I know you will miss her but keep in the forefront the memories and the happiness of finally having her there in Texas with her Children and Granchildren. She loved her family dearly and would cut you up with her tongue if she couldnt get to her Pistol fast enough if you messed with her kids or Grandkids*

*To God be the Glory*

*Love*
