“ I worked at a place Miss Elaine stayed, getting to know her, we're like being with a grandmother. I use to tell her , I wish she could move into an apartment and I would take care of her. We laughed about it, but to see her get sharp to go to church, I use to say, ok na , don't come back here with a husband, she use to say girl , that's not gone happen. I miss her so. Rest easy Miss Elaine, your in the right hands now.

“ *May peace be with you Cyndi, Nikki and Tracy on the occasion of the Celebration of Life of your dear Mother and our dear cousin, Elaine Marie Tucker. She was truly a steadfast presence in all of our lives. Our mother, Edna and aunt, Regina, sang Elaine's praises often. They were so grateful for her unending love and support. As adults, we came to realize that same steadfastness. Elaine was always there for our family. Her leadership, strength and genuine presence will always be remembered, and we will cherish her memory forever. While Marshall and I will not be able to travel to St. Louis for the service, and Matt, due to medical conditions, will also not be at the service, Jeannie and Ray will be there to represent the entire Pritchett family.*

*Elaine's memory exemplified the words written by the renowned poet, Maya Angelou, in "When Great Trees Fall"! The last stanza is a beautiful message for our family:*

*"And when great souls die,  
After a period peace blooms,  
Slowly and always  
Irregularly. Spaces fill  
With a kind of Soothing electric vibration.  
Our senses, restored, never  
To be the same, whisper to us,  
They existed. They existed.  
We can be. Be and be  
Better. For they existed."*

*Matt, Jeannie, Ray, Harriet and Marshall*

“ From as early as the 50's Elaine was the big girl cousin at Big Mama's house. Seemed forever but, finally we were both adults. Her soft yet direct voice calling each girl, sister and big sister's name will forever be remembered. Accept my love and prayers at this time.

*I'll met Ethel and Elaine when I was about 5years old and Grandma Carrie brought me to St. Louis to "Meet the family". I'm now In my 50's and I remember the warm hospitality of the family. I also remember coming home and asking my Dad if he knew Ethel and Elaine and telling him that he should, because they're his cousins and there's nothing like family 💕*

*We love you and we support you and we are Family.
