“ *I am truly saddened to hear of Eloise's death. The four of us that worked together in the same office at HRC had become very close and tried to keep in contact after Eloise's retirement. She was a very true friend with a contagious sense of humor. My prayers are with her sister and companion, Elizabeth, who must feel the loss of Eloise most deeply.*

“ *To the family I worked with her at HRC and I will truly miss her. I just saw this on Facebook so I so sorry I missed all of the services. Even though we have somewhat kept in touch (meeting for holiday lunches and her sending Christmas cards) I guess not enough. May God continue to bless your family.*

“ I send my condolences to Eloise's family and considered myself a friend. We sat across from each other at the bargaining table on many occasions and she was a very intelligent and loyal person. She will be missed.

Eloise you left a big hole in our hearts but we know you are in a much better place with our lord Jesus Christ. No more pain and sorrows for you my friend. We feel like you are blowing kisses to us from heaven.

We see Jesus plan in your life. You were baptized March 30, 2013 and now on March 30, 2016 we are having our Mass to send you home to our lord Jesus and saying our goodbyes. (For now.)

Love your Godmother, Charlotte Amos and Fred Amos

“ *To Eloise my friend, I'm gonna miss you so much. I feel so blessed to have share our passion for exercise and helping others with you. You were my Zumba inspiration, you were my Zumba modifier, you were my Zumba laughter, you were my Zumba support. I'll never forget how you made sure I had water. You were such an inspiration , a true go- getter, a fighter and my friend. I'll miss you and when I see you in Heaven you won't have to modify any move, because we will be dancing Zumba with Jesus and our new bodies. Rest in Peace, love. Vanessa*
