“ Nobody could can understand the bond we had because it was meant for us. We argued a lot but that's our road we traveled. Its wat made us connect like Gorilla glue. I still feel u beside me talking BIG nonsense. No words I can say now can make anyone understand my love for u nor urs for me....but we know. Until we meet again luv stop trying to stress over everything and understand its ur time to relax. We ok down here. Missing you more than u know Big head. Im so honored that he allowed our paths to cross.

“ *Thoughts and prayers go out to all of the Underwood family and friends during this time of sorrow. Elton was like a brother to me. He was a man who would give you the shirt off his back to help you. I am going to miss you big brother, I still can't believe it. You were someone I could always rely on and I had your back always whether you knew it or not. 1 LOVE G!!!!*
