“ Ernestine always saw the best in people. She was positive, and even if I had had a hard day when I went to visit her, she had a way of lifting my spirits. She made me feel special. Ernestine talked about going to heaven and how she was ready to go and would save me a seat when she got there. I will miss my talks with Ernestine, but I know she is with Jesus and no longer has to deal with her illness. I look forward to the day that I will see her again.

Leon, Bernice, Michael, you were great advocates for Ernestine. I know that you will be rewarded greatly when you get to heaven for the compassion, care, and sacrifices you made to keep Ernestine home. You are all in my thoughts and prayers as you go through this difficult time.

“ Her favorite saying, "IF I get to heaven before you I'll save you a seat." Let's all keep focused on that seat Harris Family. God bless you all!
