“ I am lost of words I lost you too soon daddy I miss you so much we had so many conversations so many laughs I'm so hurt that your gone I cry all the time just because u can't see ou no more I can't hear your laughs I can't argue with you no more I can't play the game with you no more, daddy when you died I remember sitting right next to you you was laying in that hospital bed sleeping so peacefully then BOOM I couldn't stop looking at your big brown eyes you was just sitting up gasping for air looking at me daddy I can't never forget that. I miss you so so so so much I hope you forgive me for everything bad I did to you and our family I hope that you still love me and won't never forget about me, when my time is up daddy I'm going to be up there with you and mommy ❤️ I love you so much I remember so many things, remember when every time it rained or it was a thunderstorm we would always go outside and sit on the porch and just watch it fall, we would hold long conversations and just laugh. You would tell me stories about your life and childhood and all the things you wanted to do. Daddy I promise you I will do good and do better for you and mommy 🙏🙏 RIP DADDY YOUR NAME WILL ALWAYS LIVE WITH ME AND THE BOYS I PROMISE THEY WILL ALWAYS REMEMBER YOU AND YOU WILL ALWAYS BE IN OUR HEARTS 💕😭😞🙏🙏🙏🙏🙏🙏🌻🌧️

“ *I am so lost in words; I had lost you way too soon and now I have to find a way to heal this indescribable pain. I will never forget you or all the loving and happy memories that we share. I'm so torn because I want you to be here with me being the happy and healthy dad I've always known as a child, but God said it was time to give you the peace you deserve. I accept it, even though it's more difficult than ever. I will always keep going dad, I will never give up on my brothers and sisters or my future, I know that's what you'll expect of me. Everything I do will be within your memory. Liam, your grandson, loves you, more importantly I love you. All 22 years of memories, I'll never forget.*

*Truly yours,
Alexandria*

“ Words can't begin to describe the pain I feel with your passing, all I know is your pain was much greater than mines being here on Earth and now you're at peace, exactly what you wanted. I'll never forget you and you will be missed greatly. You're in heaven now chillin with your dad Big Gene, your little brother Tony, your favorite cousin Derk and your best friend Jerry. Until next time daddy, I love you.

I'm honored to have had the chance of meeting your father and will forever cherish those moments! He is now in a place more amazing than we can imagine with zero pain or troubles... He will forever be with you in your heart and all things you do in life. My prayers will continue for you and the family in this difficult time as well as for the closure and acceptance of the better place he now reigns! He is now your light and guardian Angel. Love you and God bless boo!
