“ Too many memories to mention. We have been friends and neighbors for over 55 years and were the only two original families in our subdivision. God really must of needed her to come home because she did so much on earth and touched so many lives. I know you are in Gods hands but I sure will miss you old friend.

There are no words to say how much we will miss Jean. She and Brice took Jerry and I into their hearts and loved us as one of their own. I know they are both safe in the hands of God, and we will see them again one day.
