“ *My Condolences goes out to the Syms family. I am so sad and hurt by the passing of my good friend. Forrest and I shared a lot of good times and memories while touring on the road wiith Dennis Edwards Temptations Review. We formed a friendship while on the road.Forrest would always be telling jokes and have us laughing all over the place. He was a fun person to be around. Even. when he got off the road because of his health. I would still always call and check on him and he would have me in stitches with laughter. We have lost a lot of our band mates but Forrest will be in good company. Rest In Peace my brother until we meet again. God will take good care of you. Temptations Forever. God Bless. Rick Yeadon!*

May Forrest Soul Rest In Peace. I missed him over the years and searched for him as he was my dearest friend. I met him and fellow band mates in SA East London in 1998 and became friends with all but he remained a true one. May his family find peace knowing he is making great music and will always be loved.

Forrest will be deeply missed but I cherish our daily talks, laughs and dreams. My cousin added great happiness to my life and always encouraged me to think positive, hope for miracles and most important hold on to hope. This is what will carry me through this storm. You were tired but kept going because of great love for everyone! I pray that you rest in peace and know that you will always live and be a part of my life until we meet again.. I look forward to talking and laughing with you in the presence of GOD. There simply are no words to express how much I love and will miss you!!

Love Ella
