“ *May the lights of heaven's gates lead your way home...may you transcend into the open arms of the ALL DIVINE encompassing embrace...the radiant love and joy for HIS people the smile of your face...while we here will long remember and miss your style...we all know that we only came for a little while...but in the few way to short years that your presence was here...you left a legacy of love in our Heart that we will always hold dear...Rest In Paradise my Brother*
